

Medhi is Elinor's age. He's a North Africa Desert Fox. Quiet and polite kid, likes to help others. Could be culturally different than the other kids - Sees things differently than the rest of the kids.

At this moment MEDHI runs in dragging a blanket.

MEDHI

Hey Elinor, my mom gave me this big blanket to use as our circus tent.

ELINOR

Oh, this will be a perfect roof. We just need to hang it OVER us somehow.

He inspects the blanket, unsure.

MEDHI

Hmm... I don't know if it'll work. It's so... floppy.

The blanket flops over Medhi.

MEDHI

Hey... who turned out the lights?
(beat) Oh <GIGGLES>, it was just the blanket.

He puts the blanket on the ground.

MEDHI

How are we going to get our circus tent to stand up?

ELINOR

Oh, I know! I'll just tie it to the tree.

MEDHI

Great idea Elinor, I can help.

Elinor runs over and climbs up the tree. She doesn't have to climb very high.

ELINOR

Pass the blanket up to me, Medhi.

MEDHI

Be careful Elinor...

Medhi lifts the blanket, he's on his tippy toes. <WALLA:
STRETCHING>

ELINOR
I just...can't...quite...reach,
<GASP!>...OH, NO!!

Elinor falls out of the tree and she lands on the tent
blanket (obscuring her landing).

ELINOR
OUCH!!

MEDHI
Elinor!

18 Medhi immediately comes to his friends aid. ANGLE ON: Ari 18
form his bush, he saw what happened, <GASP!>, and darts to
the house.

Elinor sits up and rubs her arm.

MEDHI
Are you okay?

ELINOR
I'm not sure...
